1. **On-Line Pre-registration is highly encouraged**, but not mandatory. To pre-register, enter online at www.claycountyfair.com by **August 22 NEW FOR 2022!!!** or complete appropriate forms. Entry forms are available at the Clay County Fair Administrative Offices. Mail, fax, email or bring your completed entry form to: Clay County Fair, PO Box 527, 800 West 18th Street, Spencer, Iowa 51301; by fax at (712) 580-3003; or email to competition@claycountyfair.com. **PLEASE USE THE MOST CURRENT ENTRY FORM!** No entry fee is required. Entries are open to anyone from any county or state. Use a separate entry form for each department in which you are entering at the Fair. **Exhibitors who pre-register may collect their completed entry tags at the department during entry days.**
2. Although pre-registration is highly encouraged, it is still acceptable to present new entries during entry days. Changes to previously registered entries may also be made at this time. Bring a copy of your confirmation form when checking in entries.
3. **This is an amateur competition.** Entries are open to anyone whose exhibit represents a recreational hobby and is not used as a means of livelihood. When one starts claiming the income and deducting the expenses on income tax reports is when one should compete elsewhere.
4. **All MAILED-IN entries must be postmarked no later than August 15.** Entries postmarked after this date will not be entered.
5. Entries will be received on Friday, September 2 from 12:00pm noon to 7:00pm and Saturday, September 3 from 9:00am to 3:00pm. The Photography Department is located in the Photography Center (former Industrial Bldg.) just south of the Commercial Exhibits Bldg. Enter through the south door.
6. Entries must have been completed **since the beginning of the 2021 Fair**. They must be entered in the name of the person who took the picture. **A total of 12 photos will be allowed per exhibitor with only one photo being allowed per exhibitor in each class.**
7. Entries cannot be duplicated or altered and exhibited in any other competitive division of the Clay County Fair, including the Photography Department. A photo can be used only once in this Department.
8. An entry form, for non-online entries, is a sheet of paper that will list all your photography entries and will be used for clerical purposes. An entry tag is approximately 2-1/2 x 6 inches. **A separate entry tag will be used for each photo.** Tape the tag in the center of the back of the photo. Write your name and address on the back of each photo. **Mailing address labels are very appropriate** to use on entry forms, entry tags, and on the back of the photo. **Exhibitors shall print two copies of the completed entry form. One shall be for the exhibitor to keep. The other shall be brought along with the exhibit when entering.**

9. Write a description of the photo on the entry form and entry tag. (i.e. color-people, boy on swing) (i.e. black & white-animal, horses).
10. Included with photos **sent by mail** should be **two copies of the most current entry form**, with a list of the entries and the name and address of the sender. Return postage must accompany exhibits to be returned by mail. Provide stamps, not metered postage. Include sufficient packaging and postage to accommodate ribbons earned and any information the Photography Department might include. Have entry tags **attached to the middle back of the photo**. Mailed-in exhibits will be processed after release days and may take up to two weeks to be returned.
11. Should a photo be entered in the wrong division or class and the error is discovered before judging, the Superintendent and Clerk will make the proper correction in the entry. No changes can be made after judging.
12. Judging will be on Tuesday, September 6. Because judging is done before the Clay County Fair opens and it is difficult to know when a certain class will be judged, there is not the opportunity for public viewing of judging. When your entry is returned, written comments from the judges will be attached to your entry tag.
13. **The photo itself must be at least 5x7 inches.** Photos may be cropped to improve the composition, but must still be at least 5x7 inches. **Maximum size including the mat cannot exceed 12x16 inches.** All photos must be matted or mounted for stability. **The back of each photo must be completely covered with a rigid backer board.** Framed photos, including floating frames, are not allowed. All photos must be display ready at entry time. Exhibit has to be hangable on carpeted display boards. Cups, mouse pads, glasses, etc., are not allowed. Any photo not following these size requirements will be disqualified.
14. Do not attach any hanging devices to the back of the photo.
15. Do not cover photos with plastic, acetate, or glass or attach any material other than entry tags to the back unless otherwise stated.

Matting and Mounting Rules

(All photos must be matted or mounted on a rigid board and able to be hung on the Department's carpeted walls.)

Flush mounted - no mounting board showing; usually done on foam core;

Flat-mounted - photo is adhered to a solid piece of appropriate photographic mount board;

Window mat - a hole is cut in the photographic mat and the mat is placed over the surface of the photo with a backer board behind the photo. The use of poster board is not an appropriate mat.

Be aware that the quality of the matting and mounting of the photo may be considered in judging and Ribbon placing.

16. Photographic Media - we make no distinction between photographs produced digitally or through traditional photographic processes. The use of drones and underwater equipment is quite acceptable where applicable.
17. Photos of nude subjects are not appropriate and will not be allowed.
18. Slight enhancements may be made to a photo in the regular divisions unless otherwise stated, but obvious manipulations will be moved to the creative divisions. Photos not entered in the appropriate division or class will be disqualified, receive no placement and will not be exhibited at the judge's discretion. A grouping of multiple photos produced into one photo will be entered in the creative divisions.
19. Dates on the front of the photo are not appropriate and will be dropped a ribbon placing. **Signatures, exhibitor names, or business logos on the front of the exhibit will be disqualified.** Captions are optional, if used, they should be short.
20. A percentage of top photos in each division will be chosen to receive "Honorable Mention." A "Best of Division" and a "Best of Show" will be chosen from these photos.
21. Display space will be available on estimated numbers of photographs. If actual photos exceed estimates, the photography judges shall choose which photos are worthy of ribbon, premium and display. All judges' decisions shall be final.
22. **Your processed entry form, which was given to the photography department during entry, will be used to help you retrieve your photos.** Exhibits will be released on Sunday, September 18 from 6:00pm to 7:30pm or Monday, September 19 from 1:30pm to 5:30pm. No early releases are permitted.
23. Exhibitor questions on premium amounts or ribbon placing must be **received on or before October 15**, or no adjustments or corrections will be able to be made. **Premium checks and sponsored division awards will be issued after that date.**
24. The Clay County Fair reserves the right to use any entered photo for promotional purposes. The Clay County Fair also reserves the right to see the negative or digital properties of any questionable photo.
